スティーブ・ジョブズが語る、成功の秘訣

() say,
"you() () have() () () passion for
() you're doing"
and its () true.

and the () is uh... is because it's so ().
that if you don't,
any rational person would () ().
it's really ().

and you have to do it over a sustained period of ().
So if you don't () it,
if you're not having () doing it, if you don't () love it,
you're gonna () ().
And that's what () to () (), actually.

If you look at the ones that () up being "successful "
unquote in the eyes of () and ones that didn't,
often times it's the ones who're successful ()
what they did,
so they could persevere when it got really ().
And the ones that didn't love it, ().
Because they're sane, ()?

Who would wanna put () with this stuff if you don't love it?
So it's a () () hard work and
it's a lot of worrying ().
and uh...If you don't () it, you're () fail.
So you () () it, you () have ().
